He's a tough cop, a Mountie by the name of Corporal Soda, alias the "Soda Cracker." He and his partner, Phil, work downtown Vancouver, flushing out the city's scum-its hookers, dealers, and hoods. They've been together as a team for years; then one day the mold is shattered. A sniper opens fire during a parade and Phil is shot... Soda vows to track down the killer. What he doesn't know is that this time he's taking on more than just Vancouver's seamy underworld. This time he's taking on the RCMP itself.
