Présentation de l'éditeur

Akin to Monty Roberts's [The Man Who Listens to Horses](#) and going light-years beyond *The Hidden Life of Dogs*, this extraordinary book takes a radical new direction in understanding our life with canines and offers us astonishing new lessons about our pets. From changing the misbehaviors and habits that upset us, to seeing the world from their unique and natural perspective, to finding a deep connection with another being, **BONES WOULD RAIN FROM THE SKY** will help you receive an incomparable gift: a profound, lifelong relationship with the dog you love.
