Présentation de l'éditeur

In 2012, Tyler Knott Gregson happened upon a vintage Remington typewriter in an antique shop and, while still in the store, spontaneously typed a poem. Three years later, he has garnered a devoted online following for his simple, honest, and inspiring poetry, and his published anthology, *Chasers of the Light*, is a national bestseller. This beautiful book of removable poetry cards contains a selection of 30 works from Gregson's Typewriter Series. Printed on heavy card stock with gold gilt edges, the cards can be sent by mail, included with flowers, or attached to a gift. *Biographie de l'auteur*

Tyler Knott Gregson is a poet, author, professional photographer, and artist who lives in Helena, Montana. When he is not writing, he operates his photography company, Treehouse Photography, with his partner, Sarah Linden.
