For me, it presented the ultimate food trip to explore places, ingredients, food culture & traditions. I wanted to get to the heart of great American food, to get past the junk and super-sized portions. I set off on what I knew would be a completely inspiring trip. I wasn't wrong. . . from New York to New Orleans, the energy of Los Angeles to the big skies of Wyoming, I found what I was looking for: some of the most diverse and delicious recipes I've ever come across! And with 120 of them in this book, I'll show you the quick and easy way to put a little slice of America on your dinner table. What a trip!
